Dear M^{rs} Anderson

How very good
of you to put yourself to
the trouble of writing to me.
Thank you for telling me
about Pelmanism. I think
I shall go in for it. I
did not want to do so till

THE
107 MAPLE ROAD
BURLINGTON

I knew whether it really
was a help towards
remembering just such things
as you say you are bad at.
- though I find it hard to
believe when you can remember
the whole pack of cards - a
thing I'm sure I never
could achieve!

It is very kind to say I may
write & ask questions - & I
shall certainly take advantage
of such a good offer, if I
am puzzled by anything.

I enclose an extract
which Mother thinks may
interest you, as it is about
Manning - She tells me to
apologise for her having
spelt Lama with 2 l's
throughout!

With many thanks for
your letter - -

Yours sincerely.

Olivia S. Horner.
