Courtney's reference in the D.N.B. to Manning's papers having been given to the RAS, was queried by the Council in the Proceedings of Nov. 12, 1929 and Dec. 12, 1929-pps. 218 and 219. They could find no record that the papers had been given to the RAS.

In the list of Donations to the Library in the Journal of 1841 - 1842, the whole of the collection of Chinese books made by Manning is listed but there is no mention of any papers.
