My dear Manning

Make it a little kind soon
 not waiting to me — I hope there has
 been no departure on my side, and I must
 wish to keep up a correspondence —
 I have faint ^a expectation of seeing
 you soon — I shall be in London
 shortly —, and then will endeavor if
 possible to see you — I shall enter
 into business the ²⁵ March — It is
 a concern I much like — and will be
 very productive — If in a way such
 happen than I had said to be — Did
 you receive the Gray case, I sent

it ~~is~~ looked from here —

I wish to share my comfort with my
friends, & God knows how far my heart
is from deserting any, I have now loved —
do they of you write, and acknowledge as your
friend Thomas Lloyd — — —
