

Dear Sir

It is the opinion of Mr Roberts that as the Viceroy is not at Canton my Petition had better be address'd to the Hoppoo, will you therefore be kind enough to make that alteration, I have engag'd a Person to take it into the City to Morrow if by that time you will have the goodness to Translate
 with many thanks for the trouble you are taking believe me to be Yr very

My Dear Sir

If you have not
destroy'd the Original Petition
I will thank you to return it

to deliver another Copy (in consequence
of the one I have sent into the City
to day not being taken notice of)
I should wish to send also the
one in English that being the
more regular way -

Believe me to be Yr
