

My dear Sir,

I hope you have formed no
 engagement for tomorrow & that
 you will find yourself sufficiently
 moved to favor us with your
 company at dinner — We
 propose having a little music
 but I promise not to press you
 to contribute to our evening
 amusement by assisting with
 your voice if you seriously
 appear there you are unwell &
 not inclined to sing — I am sir
 &c. 29th Sept. — J. R. Baring

We shall have a very small
quiet party tomorrow. I shall
be there usual hour & velocity.

J. Manning Esq
