

My dear Sir

I am very glad to find that your opinion of my work is generally favorable among the number of points discussed in it there are I doubt not a good many that will not be ultimately given in my favor. Your distinction between latent & caché is certainly just though it did not occur to me at the time

If engaged will you favor me with your company to dinner at the Gardens on Sunday  
 Friday  
 Yrs very truly  
 M. M. S. D. C.

Lumsden
