8. Nov.?

Dear Mr. Manning, -

I must write a line to send with the such-
sure which came this morn'g. to hope you
continue comfortable in Braze Grove &
that the Carpet and Arm Chair are put together.
You will be glad that our dear Mother is
so near home as Utrecht - & I think we
shall really see him in a fortnight - & then
or soon after we shall see you again? -
I am sure the Rum Bottle must need
a Brother. - Papa & Mamma's love - we
are all well - the new Co. Com: is nearly
completed. -

Yours very gratefully & affectionately, -

Frances Rickman.

How do you do? -

under cover to Papa - who desires me to say
he makes you a present very gladly
because he is sure you will accept it.
