

TM/6/19

My Dear Hall

I was somewhat better yesterday, & I think continue to improve - I shall come & dine with you today, & take a bed - I am very nervous, & writing at this low table from an absurdly high bench, is painful to me. If anything ~~has~~ should have occurred to make it inconvenient to you to receive me, pray let me know by $\frac{1}{2}$ after 2 o'clock

Yours ever sincerely

Thomas Channing
