Tooke's Comh.

April 13. '18.

The Editor of the Pamphleteer
presents his respectful compliments
to the Author of a "Pamphlet on
the True Principles of Exportation"
and begs to ask if he would
permit the Editor to insert it
in a future N^o of that work —
If the Author should not think
it likely to prejudice his interests
the Editor will be much gratified
and obliged by the permission, and
would be glad to avail himself
of any alterations that may
have suggested themselves to
the Author's judgment.

An early answer will be returned
in favor —
