 both sexes, my second is possess'd by those
 who live long, & my third is a foe to the
 young tribe, my whole is an ancient
 title of a race of English Kings —

What word is that of eight letters and
 five the same?

Why is a soldier encumb'd, like a
 philosopher at his studies?

My first is misery extreme,
 My second sure to feel it,
 My whole an antidote that owns
 peculiar charms to heal it —

My first & third, are guided by my second,
 Those always the superior creative ^{and} rich,
 The learners of my fourth, most men of taste
 Will rebuke, nor think their time they waste.

Why is London like a great L?

A wretched Prisoner first you view
 Beheaded, 'tis a fruit I show
 Decapitated once again
 A flower to take head with then remain

My love for you, will never know my 2nd
 Will never be my second
 But will always be my whole

Why is a hard race horse like eternity?

My 1st generally desires to be my 2nd
 yet avoids the account, his business of his
 wish, & often indignantly refuses to be
 my whole.

If Dick's father is John's Son, what
 relation is Dick to John?

A term to carry is my first ^{word} ^{1st} ^{2nd} ^{3rd}
 Which you to discover my 2nd must be
 If you are my whole, if my whole you find
 If not you'd the same, as you plainly will see.

My first & second are the same
 They never meet, but to complain.

 I never cry but often weep
 Camellion like, I live on air
 And next to me is acinty fairs

More fickle than the wind that blows
 More fragrant than the rose, which rose.
 What strikes with danger the honest ear
 What terrors fear a coward the war
 What colder than the frigid zone
 What sweeter than a mutual kiss
 Will instantly unravel this

85

My first is my spot, so is my nest
 To love my third thus I stick to my best

34

My first is short, or sharp, or round
 My nest is long, or horrid.
 When ~~hence~~ whole, I find no trust in man,
 So men are misapprehended.

more of an troupe.

3

My 1st a number less than five
But twenty is my second
And yet my whole, as I am alive
Is right, right, right, right.

42nd

To get rid of my 1st my second I gave
My third if you ^{with the news} please you may have.

My name is great, in Church and State,
 I'm made much ample use on
 My employ much I travel much
 And save each constitution
 On Howback side, in chariot of life,
 Am much moved to action
 To high & low, in frost & snow;
 Give evident satisfaction,
 Good habits do from public view
 As well as bad conceal
 Yet often the more I there must own,
 Sometimes them reveal.
 I'm large, I'm light, Left hand, & right
 I'm below, ^{above} middle,
 I'm low, I'm tall, I'm large, I'm small

In a syllable form'd of three. listen alone
 Which three syllables make when pronounced
 Personal one, & one mental you'll own. ^{about}
 One the produce of Nature the other of Art
 None 'tis the task to solicit the tear,
 Sensibility sheds o'er the woes of mankind
 'Tis the sigh which time gemmed ^{find} heaven ^{the}
 To touch the soft sympathizing body in the mind
 Ingenious with it, the texture it weaves
 White as snow is the robe in which it is draped
 Save where, here & there, its sighs & its tears
 In characters legible, are deeply impress'd
 In the Church-yard 'tis seen, & the ^{old} Hermit's door
 Where the owl nightly hooting, ^{the moon} ^{the moon}
 Where a pair of heartrending minnies dwell
 With her votaries she dwells in bright awful gloom
 Conceal'd tho' my other, it has beauties to boast
 But should accident haply those beauties disclose
 In modesty's chick ah! how soon woud he lay
 The sword-duch's pale hue in the blush of the rose
 With joy swiftly moving is bear you away
 To where smooth gives the ball in festivity
 With eagerness trembling its skill to display ^{lassies}
 Unwary of time, but regardless of hours

My 1st is an Eclogue, my 2nd an Description
 My whole an Hero, or if you like it better a Poem

Ladies, believe me, his Worship the Squire
who binds People over to the peace, is
a very strange thing; indeed I'm no Liar)
His letter the instant is forges!!!

What kind of Weather with the Alphabet be
like, if the first letter were left out?

I can put that into your right Book, & I
you cannot put into your left.

My first is every thing, my 2^d is more than
every thing, & my whole is not quite so much.

Why is a man in London like a Letter?

My 1st is all Letter & French, my 2^d the
reason of folly, my whole is the 1st French, that
was ever made, the best French that ever was made,
& like to the best French that ever was made.

My first & second are the best
 of each delighted year
 When every sorrow is forgot
 At Spencer's social feast.

But both united form a work
 Which shows those hours are past
 We go on to find how's spirit
 The most precious is last.

My whole is produced by my second, & my
 third produces my whole.

One previous first other, one second
 First ocular, & one that first rise
 & pleasure.

I'm neither first, first nor last
 yet you may keep me till I am alone.

My first of loss is a disgrace
 Whose misfortune seen the Stone
 My second, tho' it can replace
 The dreadful loss, will hide the shame.
 The whole has left, & breathes the air
 Delights in meeting to appear
 Oft time would attend the fair
 But justice on honey of the hour

22

Scoti's most points south
 Melodie are south.

177

My first is either both, & the whole between both.

136

What goes with the Coast, is of no use to the
 Coast, & yet the Coast can go without it.

104

Thi' I know it a Both, I am willing to all.

My first is a title of common words
Which all must wish to obtain

My second to Peter's entitled for both
And spare quills to Beck & to Chinn.

My third is a quality for none desire
In court I'm forc'd to appear,

But Beauty is when I'm more publicly known
For in truth I'm personally there

62

I am but one, tho' some like too,
I have quett it, why can't you?

24

Why is it none of Lent bought, & not paid
for, like a Grand festival in London?

82

My second shoe is so serious at a distance
is always said to be my first - but when
they come together, they mutually contribute
to the sooth of my shoes.

So was my, one one he pretty far,
Min si was one my far pretty he Min.

174

Among a division I am, but when joined with
my Brother who is of equal force, I have but
half the strength of both before.

I am a Member, made thus with Leather,
 Of all the four Elements joined together,
 Fire & Water, Earth & Air,
 And every Customer takes his pair.

88

My sorrow is like the Merchant's expense
 By melancholy Black.

But mostly like a Soldier I am hurt,
 Though in this we differ strangely, that we
 are as he by fire destroy'd, he I secure.

My first runs fast enough.

My second runs too fast.

and my child if it is that not run,
will cease to be correct.

144

Why is a Knight on Horseback like a difficulty
overcome?

161

What time is he, or when his fellow beings
depend for support, & when influence extends
from Pole to Pole?

138

Thou Feat & cannot go
rather Fick & never a tree.

¹⁴⁸
I will employ my Secret to make my first
and my whole I will keep to myself.

¹⁷⁶
My first is show you can be without
My second show you are compared to a giant,
but my whole is show you must be better
my first.

¹⁶²
My first is with a dinner
My second show so generally are after dinner
but my whole is with before dinner.

Why is a babe Race-Horn like eternity?

¹⁷³
Who more than she,
Take away the first letter, the show most like love,
Take away the two first, & it with discover
Who he more by who neither likes one,
For love the other. —

146

My first of more worth than diamonds or gold
 And still more surprising, for how should this be;
 My second spirit to add worth to the crown,
 And soon to speak as does Immortal God.
 My third is a work not done in vain
 But you understand it, & feel its full power.

151

My first is equality
 My 2^d inferiority
 & my 3^d spirituality.

168

My first from royal bounty flows,
 the next a Parents love bestows,
 yet both I freely did resign
 To seek the greatest Freedom mine.

147

My 1st is preservation of Life
 My 2^d of comfort & joy
 But when both are united in one,
 They frequently kill & destroy.

To be seen my first, & remembered by
 my second, is often the fate of my bible.
 131.
 My first is in the sky, my second
 in the sea, my third in the air.

Death is that, which was in the word without
life, yet it had life, & its being soon justified
to man, it became lifeless and insignificant
yet again it had life, & covered all that
it was like itself.

46.

My first is ever dull and sad,
An emblem meet of woe
My second all in brightness clad
A thousand things will better show;
My whole of nature's gift they say
An emblem is of love.
But should it come some other way,
Your smile or Duty move.

1143

Why is my heart like St. Paul's?
159

128

Without my head I once was ~~James~~ ^{James} D.
For industry and virtue fear'd
Dreaded for my filial care
I was a Father still as now I am.
I have had since I was dead
I am dying in my native dust
Thus againe put on my head
And againe me shall you meet.
127.

What is the warmest love that enlightens
The world?

128

Many no doubt my first will do
Tie my my second being to mine
My whole now social, when we spend
Our hours with a much lovelier friend.
My ^{not 21} is over, my 2 we now enjoy, my whole is
Pleasure

My ^{1st} is in the children's breast
My second in the wave,
My third in suit of scarlet draped
For which his life he gave.

My first is where in Infancy
Of pleasures most we bask,
My second ming with Reynolds art,
Of whom our angel makes
My whole's a nation of the dreamer
My whole's a nation of
And sings unceasing at the sight of ^{men}.

My first endows each scene of life,
And soothes and palliates every strife
My second wears with stately pride
The vengeance of our God divide
My total stands by all conquest
A cordial balm to the distrust.

My ^{1st} is our harbour, my second
a shore, My whole is an Island,
I cannot say more.

I was Adam, Adam I,
And I was Eve, and Eve was I,
In spite of wind and weather
But mark ye, Adam was not I
Unless they were together ^{ing}
Suppose then Eve and Adam bath
With all my heart, but if there washing
There ends all simile
For tho' I see tongue, and often bath
And also eyes. If once I wash,
It hurts an end to me.

My first is of no use without
my second, my third is to be seen
every day in St James St

My first you may meet with at
every friends,
On your being my next its enjoyment depends
My whole is what most men assemble to do
Their comes to relieve and banish their woe.
Yet sad the reflection! from friendship ^{since}
It often solicits the tenderest tears
My two hearts there meet, and soft balm to rest
With which when acquainted it's sorrow ^{or}

My first is the first of its kind
Which tends to enlighten mankind
My 2nd in French names that power
Which raises and waters each flower
But how can I in name my third
Without wounding my heart with the word.

The ring is my first, and pray,
But my second to my third before
it is published.

My first a negative you'll find.
My second water is congel'd
My whole I give that you are blind.
Until my whole you have reveal'd.

My first is heard but never seen
My next can charm the ear
Distract my whole, you close the scene
And finish life's career.

My first is to declare
My next a sacred Hill
My third I feel to those
Who wish to do their neighbours ill

My first & my second most readily take
I wish they were better
And that for your sake
And could I lay open my heart & my soul
I trust you'd find nothing
That pains my whole.

My whole is a place of divine worship
with off its two first letters, & it will become
a friend of waterford, which being a
gain divided into two equal parts will
give you a large town in Switzerland
and a well known village in Norfolk.

Tho' unknown to all senses
Except to the sight
Yet existence I claim
By excluding the light.

My first is sometimes wise, and
sometimes foolish, my second the
Physicians study, My third contains
my first, and is the pleasant orna-
ment of a House.

The dread of the culprit, the counsellors
In my first is captured too clearly to miss
The misers chief pleasure, the merchants
In my last will be found to be one system
And off from my whole their profits derive
Say what is the general traffic they derive.

Immolation off' leads to my first
Which all pupils should study to do
If merit they wish to obtain
Whatever the art they pursue
My seconds a serious fast
Accepted for pious reflection
And if you would seek for my last
You'll find it is the height of perfection

My first may clearly be seen
In every city, town, or hamlet
My seconds of my first the pride
Or cloak'd in silks, or lowly camlets

Why is Sunday a strong day?

I'm a monosyllable & a reptile I know,
Yet cut me in two and I am syllables two,
I'm English, I'm Latin: I'm one & the other,
What's English for one is Latin for t'other.

Long before Adam one there lived
I both still as is believ'd.
Whose name reversed here you'll see
Ladies pray say who this may be.

My first is heard but never seen.
My next can charm the ear,
Direct my whole you close the scene
And finish life's career.

On the rise of my first
My second begins
On my third you are told,
To repeat of your sins

Why is a seven shilling piece more
like the King than any other
coin, foreign or British.

In one alone I prove there's none
In nine but one can count,
In seven but five, yet six alone
Doth unto nine amount.
In five I only four can see.
In two there is not one
And three times eight is only three
Now say how this is none.

My first means provision
My second yields delight,
My whole is a good wish,
What is it do you think?

My first is of no use without my
second, & my whole is to be seen
every day in St. James's Street

When you stole my first,
I lost my second, and I wish you
may ever possess my whole.

Why is the letter I like the furnace
of a battery?

When you have nothing else to do,
Make a stocking of your shoe!

If a pair of spectacles could speak, what
histories would they they name?

If you fell out of the window what would
you fall against?

Why is the fortune of a younger brother
like a black's complexion?

Why are Belgium & Malabar different
as light & darkness?

Where the witch of Doctor Row?

Who was Schubadnazzars barber when he
shaved?

Why is a picture like an M. P.?

Spelt frozen water in three letters.

When is an egg over done, like an egg
