3) The tales of cards a greeny hat
 to play all for us I know it yet
 That even his head & due again
 for game the tens there is a rank
 See what he gets of dirty rank
 What but of Church & other rank
 I see to be a piece of gold
 he found his place & other rank
 but near come press your penmen rank
 Just means in a number rank
 The great battle rank of the rank
 work of in rank of rank of rank
 why doctor says - but he is a rank
 His calculations that same rank
 My favour to in a cliff rank
 Such chance over the good rank
 with even the duller white to black
 to into your you see a rank
 the pieces of silver would you rank
 I would you give him a rank
 though you are rank
