

TM 1918134

When heart & difference meets may rise
~~the~~ ^{the} virtues my red spirit
 When gainst me dull suspicious pass
~~the~~ nothing done to merit
 When heartless tedious commences
~~the~~ ^{the} numbers ~~with~~ its clack
 When childish frivolous dispute
 compels me to shrink back

Quickly to the imagin'd presence when my heart
 Reposes, turn my thoughts & refuge find
 Find soothing images disarming the heart
 It smooths the ruffled ocean of my mind
 My heart dear pin in Cinnamon sweet ^{then} find ^{of} green bshing
 When ^{the} ~~concern~~ ^{flowers} ~~breaches~~ ^{soft} ~~palpums~~ ^{subliming} ~~points~~ ^{the} ~~way~~
 Flaggins that image of delight I dream
 As fairy lists with still my heart at home
 Admiration giving none ^{to} forms ^{enlight}
 To breast that seabath of an ^{ambrosial} effecting rest

The Morn'g sun shows bright on love, most flowers breathe spring
 Glad hymns of ^{solid} ~~solid~~ praise ^{and} ~~and~~ joy my ^{many} ~~many~~ thoughts ^{and} ~~and~~ joy
